Dear Sir or Madam,

Thank you for your generous contribution of \$11.82 in support of our ongoing humanitarian and economic development programs. Providing Smart Aid to communities worldwide alleviates the effects of disasters, disease and endemic poverty.

Over the past 30 years, through private funding, we have delivered hundreds of millions of dollars in self-help and emergency aid to where it is needed most, regardless of political, religious or military turmoil, helping people throughout the globe to rebuild their lives after man-made or natural disasters.

I invite you to visit our website at [www.opusa.org](http://www.opusa.org) to read stories about the people you are helping. Also, if you would like to receive updates through the monthly Operation USA e-newsletter, please send us your email address.

Your continued support is greatly appreciated.

Sincerely,

Richard M. Walden  
President & CEO
