Helping Families... Changing Lives.

June 2010

Dear Friends of A New Leaf,

Because of you, *A New Leaf's* families and children have an opportunity to find hope, a chance to turn over a new leaf and to have pride in their new found strengths.

It is you, our donors, volunteers and supporters, who make our mission of **Helping Families... Changing Lives** so successful. Last year, over 20,000 individuals received services through *A New Leaf* programs. We humbly thank you for your part in that.

We recognize you today to show our appreciation for what you do for our shelters, youth programs and community behavioral health services. Your ongoing support and loyalty to *A New Leaf* makes a lasting footprint in the shifting sands of our troubled economic scene.

Please detach your 2010 Certificate of Appreciation and display it in your home or office as a reminder of how much we value your support and friendship.

Our clients may not know exactly who to thank for helping them turn over a new leaf, but we do. Your efforts are not taken for granted.

As you might imagine, charities like ours are experiencing an extremely difficult time in the current economy. To explain it quickly, donations are down and needs are on the rise.

Requests for shelter and youth services increase during the hot summer months. In writing today, we ask for your continued support. Will you help now by making a financial donation?

With your assistance, we can meet the serious challenges ahead. Your financial gift will help
(over, please)
