Dear Friends at the State Employee Charitable Campaign:

Thank you for your recent gift of \$8.98 to A Stepping Stone Foundation, which was received on 6/28/2010. Your support is deeply appreciated.

Your generous gift and support of A Stepping Stone Foundation allows for high quality, tuition free preschool for three- and four-year-old children and education opportunities for their families. It is the vision of the foundation that these families learn to enhance their children's education as they progress into Kindergarten and beyond. There are currently four classrooms in the Alhambra and Fowler school districts, serving 75 children and their families.

We think of you as our partner in breaking the cycles of illiteracy and poverty, strengthening our communities and addressing the problem of the high dropout rate in Arizona.

Thank you again for your support of A Stepping Stone Foundation.

Warmest regards,

Cynthia Gattorna
