Dear Friends of Camp Tatiyee

On behalf of all the Lions of Arizona, the campers, and the Camp Tatiyee Board of Directors, we would like to express our appreciation for your most generous contribution of \$181.14 you made to the camps operation account.

These special campers will experience a week of independence and self-confidence while giving care givers a much needed reprieve as well. As you can imagine the expense of having a disability is huge and it is a rare blessing to have an opportunity such as Lions Camp Tatiyee.

It is by your support that you allow these campers the opportunity to be with others that understand their struggles and applaud their triumphs. At camp it's all about their "Abilities" not their "Disabilities". Camp Tatiyee is a safe haven for children and adults with special needs to grow and to challenge themselves. A place created just for them and where the sun shines just a little brighter.

Yours in Lionism

*Barbara Russell
Camp Tatiyee Secretary*
