Dear Mrs. Fisher,

On behalf of The Beatitudes Foundation, I thank you for your gift of \$4.06 to the Stetson Fund.

Through the generosity of friends like you, The Beatitudes Foundation Stetson Fund provides philanthropic support to The Beatitudes Campus and the older adults who call the Campus home.

Grants from the Stetson Fund help with general Campus operational costs, in addition to supporting innovative new programs that directly impact the quality of life for our residents. Through The Beatitudes Foundation Stetson Fund, we are able to sustain our Campus and the lifestyle that our residents value.

Thank you again for your generous gift. I appreciate your on-going support and dedication to this Campus.

With blessings,

Peggy Mullan
President and CEO
