

Eve's Place

A Place of Safety in the Northwest Valley

June 1, 2010

Dear Friends of The State Employee Charitable Campaign ,

Thank you for your recent donation of \$3,471.95. We are deeply appreciative of your support and of the confidence you have shown us as Friends of Eve's Place.

The following illustrates the incredible growth we have experienced in bed nights provided since the opening of our first Safe House in March of 2006.

<u>Year</u>	<u>Bed Nights</u>	<u>Percentage Increase</u>
2006	600	-
2007	2,615	436%
2008	7,429	284%
2009	16,867	227%

In 2007 we were able to provide services for 121 women and 129 children. In 2008 we served 209 women and 144 children for an increase of 41%. In 2009 we served 149 women and 98 children. Although our numbers are down for 2009, our residents were able to stay longer and receive more services. We also were able to greatly increase our outreach program.

With the community's support we have been able to add a Children's Director and to begin providing dedicated services to the children. Services include safety planning, building relationships with Mom and siblings and getting caught up in school. We believe that we can stop Domestic Violence by empowering the children to not continue the cycle of violence.
