Dear State Emp Charitable Campaign,

On behalf of our Board of Directors, Advisory Board and military families of Arizona, I would personally like to thank you for your donation of \$289.38 to Operation Homefront of Arizona. We certainly cannot do what we do to help these families without your support. Our deepest gratitude goes out to you. Because of your generosity, we are able to bring smiles and joy to military families that they otherwise may not have.

Our focus remains 100% on helping families, particularly those left behind by deployed service members fighting the Global War on Terrorism. Operation Homefront of Arizona works hard to support those Arizona families dealing with the hardships of not only the separation, but the issues that arise with the separation of their deployed loved one.

As you can imagine, the war on terrorism and the war in Iraq are not ending any time soon. Service members are heading to Iraq for their 2nd and many for their 3rd tour of duty. Military families will need us to continue to put our arms around them, as a nation, and let them know that we are still here for them.

Thank you for putting your arms around our military families.

Proud to serve our Arizona military,

Margy Bons
