Dear State Employees Charitable Campaign,

Thank you! Your generous gift of \$103.78 was received on 7/6/2010. Your gift helps support individuals and their families living with, affected by, or at risk for HIV/AIDS who receive services and programs through the Southern Arizona AIDS Foundation (SAAF).

SAAF's mission is to create and sustain a healthier community through a compassionate, comprehensive response to HIV/AIDS.

Last year, SAAF assisted nearly 1,200 people with services including housing, food, transportation, medications assistance, and emergency rent and utility assistance. Prevention education, intervention, and outreach programs reached over 19,000 people in this community. Thank you for being a part of this important work in your local community.

Your generosity gives hope that together we can meet the growing demand for programs and services in an effort to address the challenge of HIV/AIDS in a comprehensive way and reduce HIV infection rates.

Warm regards and with great appreciation,

Michele Bart (handwritten signature)
