Dear Friends:

Thank you for your financial support to Special Olympics Arizona in the amount of \$1,387.36. Your recent gift supports 9,100+ athletes to train and compete throughout the year and you made a difference...something positive for each one.

Special Olympics Arizona Athletes:

A Special Olympics Arizona athlete obtains benefits that truly go beyond the joy of competition. An athletes active involvement provides improved physical fitness and sports skills, enhanced self-confidence and social competency, improved employment readiness, better preparation for independent living, increased ability to make personal decisions; improved friend and family relationships, opportunities to broaden experiences and personal growth.

Both on and off the playing field, Special Olympics Arizona provides training for life. Similarly, coaches, volunteers, families and donors experience joy from opportunities that Special Olympics Arizona brings to their lives.

Special Olympic Arizona athletes continue their training for the next competition. They are looking forward to it and I trust you will, too.

Thank you again and I look forward to seeing you at the next event.

Sincerely,

Austtin Montoya
Database Coordinator
