Dear ,

Thank you very much for your recent gift to UMOM of \$572.64. Your support of our work with homeless families is so important!

During the past few months, we have settled into our new campus well ... it feels like home! We know it is just that for more than 100 families! At the same time it is exciting to look across the street, at our old campus, and see the construction of apartments that will provide permanent housing for many of the families who complete our programs.

We are grateful that the temporary increase in sales tax will delay or eliminate some additional cuts that were inevitable. Some aspects of our economy seem to be improving but our City and State are still struggling. We are still experiencing a decrease in childcare subsidies, requiring that we assume more of this burden. I am so grateful for your sacrificial support of UMOM New Day Centers as we meet these needs.

We are proud of the impact we, with your help, are having on families in our community. Together we are serving hundreds of men, women and children each night who call UMOM home!

Thank you for all that you have done for the families served by UMOM New Day Centers. We value your support, especially in these uncertain financial times!

Sincerely,

Darlene Newsom
