Dear Hunger Advocates:

Thank you for support of WHEAT and its ongoing efforts to end hunger. **Your gift of \$192.77 through the SECC 2209/2010 Campaign will help us in that quest.**

Your donation helps us to continue to fight for the needs of those who do without - the children in our neighborhoods who depend upon the school lunch program to eat at least one nutritious meal each day; the senior adult who is paying so much more for their prescription medications that they go without meals; the mother who works two and three jobs to make ends meet without benefit of health insurance or vacation time. Hunger and poverty are not acceptable - and with your assistance, WHEAT will continue to strive for the elimination of hunger through its education, empowerment and advocacy efforts.

Thank you, again, for your continuing support in seeking an end to hunger...it can be done!!

Sincerely,

Tamera Zivic, Ph.D.  
Executive Director
